

# Safari Business Library

Safari Books Online is an on-demand, digital library that provides access to thousands of titles for technology, business and creative professionals. Focused on business and management, the Safari Business Library is a comprehensive collection of practical insight and useful information from publishers like Wiley, FT Press, Wharton Publishing, AMACOM and many more.

You will immediately recognize the benefits of subscribing to the Safari Business Library. Your subscription gives your users instant access to over a thousand books and articles from top publishers, respected authors and well-known experts—all on one, fully searchable, easy-to-use website.

The Safari Business Library was created specifically for business pros looking for a broad range of up-to-date information for career and personal development:

- Stay abreast of the latest management trends and best practices.
- Outsmart the competition with fresh marketing and sales strategies.
- Acquire new insight about hiring and retaining great talent.
- Learn the most recent thinking on mission-critical topics like supply chain management or Sarbanes Oxley compliance.
- Improve presentation techniques and closing skills.
- Develop skills and update certifications.
- Study personal enrichment topics such as digital photography or home finance.

## Contact Us Today!

Safari Books Online provides access to fully searchable collections of books, articles, certification study guides, and instructional videos from the most respected and well-known technology and business publishers. And, only Safari Books Online offers Rough Cuts, giving subscribers access to new books as they're being written and edited before publication.
